(Office Action). The Applicants hereby delete Figures 129 and 130 from the present invention. Figures 129 and 130 are not necessary to understand the present invention. The Examiner noted in the Notice of Allowability that the Supplemental Information Disclosure Statement and PTO Form-1449 were received in the Patent Office on May 7, 2004 without the cited references. The Examiner has requested that we submit evidence that the recited references were in fact received in the Patent Office. Enclosed please find a copy of the return receipt post card with the Patent Office designation that the references and Information Disclosure Statement along with an Amendment and Request for Extension of Time were received in the Patent Office on May 17, 2004. As a courtesy, Applicants hereby submit another copy of the cited references. Should the Examiner believe that a telephone interview would aid in the prosecution of this application, Applicants encourage the Examiner to call the undersigned collect at (608) 218-6900.
